# CONTENTS OF BUCHANAN'S JOURNAL OF MAN, VOLUME I.

Page.

<b>No. 1.</b> —January, 1849. Engravings—Gen. Taylor—Gen. Cass.	
ART. I.—The Presidential Candidates, .....	1
ART. II.—The First Number, .....	3
ART. III.—What is Neurology, .....	5
ART. IV.—Neurology in New York, .....	12
ART. V.—Sympathetic Diagnosis of Disease, .....	35
ART. VI.—Interesting Experiments, .....	39
ART. VII.—Objections to Phrenology, .....	41
ART. VIII.—To the Readers of the Journal of Man, .....	43
Future Subjects—Dr. Rice, .....	48

<b>No. 2.</b> —February, 1849. Engraving—M. Van Buren.	
ART. I.—Psychometry, .....	49
ART. II.—Reichenbach's "Researches in Magnetism," .....	62
ART. III.—Vaughan's Discoveries in Organic Chemistry, .....	72
ART. IV.—Cholera—Its Causes and Cure, .....	80
ART. V.—Intuitive Science—Cholera and Potato Rot, .....	90
Reception of the Journal, .....	96

<b>No. 3.</b> —March, 1849. Engraving—Spheres of Good and Evil.	
ART. I.—Psychometry—(Continued), .....	97
ART. II.—The Spheres of Good and Evil in Man, ..	114
ART. III.—Animal Magnetism—Review of Deleuze, ..	118
ART. IV.—Our Destiny, .....	127
Familiar Table-Talk, p. 130—We and I—The Greek Slave—P. M. Deibong—Witchcraft in Ohio—Vaughan's Chemical Discoveries—Balloons—The World's Condition and Progress—Peace Congress at Brussels—Education in Indiana—Emancipation in Kentucky—Law Reforms—Neurological Lectures—Future course of the Journal—Scientific Engravings—Correspondence—Union—Apologies, ....	144

<b>No. 4.</b> —April, 1849. Illustration—The Cranium.	
ART. I.—Psychometry—(Continued), .....	145
ART. II.—Craniology and Craniocopy, .....	157
ART. III.—Capital Punishment, .....	163
ART. IV.—Animal Magnetism—(Continued), .....	172
ART. V.—Cholera—Its treatment, .....	175
Table-Talk—The Titlepage of the Journal, .....	192

<b>No. 5.</b> —May, 1849. Illustration—Cranium of a Convict—a Translucency.	
ART. I.—Education, .....	193
ART. II.—Psychometry—(Continued), .....	208
ART. III.—Craniology and Craniocopy—(Continued), ..	227
ART. IV.—Perpetual Motion, .....	235
Familiar Table-Talk, p. 238—Dr. Harney—Mesmeric Exhibitions, .....	239

<b>No. 6.</b> —June 1849. Illustration—Anatomy of the Brain.	
ART. I.—Anatomy of the Brain, .....	241
ART. II.—Mesmerism in India, .....	253
ART. III.—Psychometry—(Continued), .....	269
Familiar Table-Talk (p. 278)—Vaughan's Chemical Discoveries—Journal Soiree—Edinburgh Phrenological Journal—American Phrenological Journal—West. Quarterly, .....	288

<b>No. 7.</b> —July and August, 1849—64 pages.	
ART. I.—Anatomy of the Brain—(Continued), .....	269
ART. II.—Mesmerism in India—(Continued), .....	301
ART. III.—Animal Magnetism—(Continued), .....	316
ART. IV.—Impressibility, .....	321
ART. V.—Researches in Organic Chemistry, .....	330
Familiar Table-Talk (p. 341)—European Affairs—Bombardment of Rome—Freedom in Europe—N. Y. Tribune—Miss Blackwell—Mesmeric Institute, ....	352

Page.

<b>No. 8.</b> —September and October, 1849. Illustration—Engraving of Intellectual Organs and Contrasts of Development.	
---	--

ART. I.—Sympathetic Impressibility, .....	353
Insanity and its Causes, .....	
ART. II.—Researches in Organic Chemistry, by Daniel Vaughan, .....	369
ART. III.—Brief Outlines of Neurology,—Part I.—Practical Phrenology—Intellectual Organs, ...	384
Letter from a Physician, .....	400

<b>No. 9.</b> —November and December, 1849. Engraving—Map of the Neurological System.	
ART. I.—Brief Outlines of Neurology—Part I.—Practical Phrenology—(Continued), .....	401
ART. II.—Sympathetic Impressibility, .....	412
Neurological Experiments, .....	425
ART. III.—Researches in Organic Chemistry, .....	426
ART. IV.—Mesmerism in India, by Dr. Esdaile, ....	430
ART. V.—Present state of Medical Science, .....	
Familiar Table-Talk—Condition of Europe—Hungary—Rome—London and Paris—Ireland—Egypt, ....	447

<b>No. 10.</b> —January and February, 1850—64 pages.	
ART. I.—Sympathetic Impressibility, .....	449
ART. II.—Brief Outlines of Neurology, .....	463
ART. III.—Lectures on Electro-Biology, or the Voltaic Mechanism of Man, by Alfred Smee, ....	477
Human Electro-Magnetism, .....	496
ART. IV.—Spirituality—Recent Occurrences, .....	490
Insanity from Religious Excitement, .....	506
Familiar Table-Talk—Scientific Exhibitions—Electro-Biology—Presentiments—Annoyances—Valuable Improvements, .....	507-512

<b>No. 11.</b> —March and April, 1850—64 pages.	
ART. I.—Duality and Decussation—Connection of the Double Brain and Double Body, .....	513
ART. II.—Mesmerism in India, by Dr. Esdaile—(Continued), .....	539
ART. III.—Terrestrial Thermotics, by Lieut. E. B. Hunt, .....	542
ART. IV.—Electricity—Suggestions of Profs. Loomis and Rogers, .....	547
ART. V.—Rev. T. H. Stockton and Christian Union, ..	549
ART. VI.—Elihu Burritt and Universal Peace, .....	553
ART. VII.—A Grand Discovery—A new Fuel and Gas Light, .....	557
ART. VIII.—The Great Mystery—Latest Intelligence, .....	562
Familiar Table-Talk—Illustrations of Neurology—Mr. Spencer—Dr. Williams—Mr. Vaughan—Key to Electro-Biology—Smee's Electro-Biology—Phrenology and the Scriptures—Moralism and Christianity—Anthropology—N. Y. Tribune and other Journals, .....	569-576

<b>No. 12.</b> —May and June, 1850. Engraving of Gerit Smith.	
ART. I.—Brief Outlines of Neurology—Part II.—Physiology, .....	577
ART. II.—Baron Reichenbach and Professor Caldwell, .....	589
ART. III.—Vaughan on Organic Chemistry, .....	594
ART. IV.—The American Kepler—Kirkwood's Analogy, .....	596
ART. V.—The Presidential Candidates—Taylor, Cass, Van Buren, Smith, .....	600
Notices, .....	620
